THE COMMUNITY OF ASPIRING BUSINESS LEADERS AND ENTREPRENEURS | The CABLE Program

CABLE students

Dedicated to your success

Transitioning from high school to college can be quite an adventure. In the Jake Jabs College of Business and Entrepreneurship (Jabs), the CABLE Program was developed to ensure a smooth transition as you embark on your next big adventure. Research shows that students who are well supported and who form strong connections to the campus community are more likely to graduate on time. This program builds a community of Jabs students through a fun pre-college experience that includes whitewater rafting, classes with other CABLE students, mentorship from current Jabs students, and ongoing academic support like workshops or events to support you throughout your first year and beyond.

Key Elements of the Program

- Earn scholarship money by engaging in activities designed to promote your success.
- Enjoy informal activities around MSU’s campus and Bozeman while getting to know your new classmates and professors.
- Learn the tips and tricks for being successful at MSU *before* classes begin.

Space is limited.

Math
Writing*
Two Electives*

Spring
Business Fundamentals*
Economic Way of Thinking
Statistics
Two Electives*

*CABLE program classes.
*Choose from a wide range of elective courses that satisfy MSU general education requirements.

Congratulations and Welcome!

Welcome to Montana State University and the Jake Jabs College of Business and Entrepreneurship (Jabs).

I'm delighted to tell you that you have **been selected to apply** for the *Jabs CABLE* program. CABLE, a Community of Aspiring Business Leaders and Entrepreneurs, is a learning community for first-year business majors at MSU. After reviewing your MSU admission application, we believe you will be a great fit for this program.

CABLE is focused on building a learning community. CABLE students are divided into pods of students and each pod enrolls in the same section of BGEN 104-First Year Business Seminar, shares the same peer mentor, and in most cases, takes WRIT 101W-College Writing together.

Students arrive on campus a little early to get to know their fellow classmates and professors while enjoying the great Montana outdoors and gearing up for the first day of classes. Once classes start, students will benefit from study groups, encouragement from their CABLE mentors and success workshops throughout the academic year.

CABLE gives you the chance to *build friendships and socially engage* inside and outside of the classroom, *receive ongoing support* from your peer mentor and advisor, and *earn scholarship money* for your efforts.

Spaces in the CABLE program are limited, so please follow this link montana.edu/business/cable to apply for your spot today. If we haven't heard from you by **July 18**, we may have to give your spot to another eligible student.

If you have **any** questions about the program, MSU or Bozeman, please don't hesitate to reach out.

Sincerely,

Brenda Truman, Assistant Dean · CABLE@montana.edu

P.S. If you've decided to change your major and will not be studying business, please let us know.

Let's Get Started:
Your CABLE Event
Schedule

- Sunday, August 17**
CABLE Family Lunch
Everyone is invited!
- Success Workshop**
A workshop just for CABLE students with engaging tips, tricks and games that will help lead to a successful first year on campus.
- Tuesday, August 19**
Rafting Day
CABLE students will have the opportunity to go whitewater rafting and get to know each other and the Bozeman outdoors before school starts.
- Wednesday, August 20**
First day of classes

“I joined the CABLE program looking to connect with others who were passionate about business and its impact on the world. This program has truly gone above and beyond what I imagined. I found incredible mentors and made some of my closest friends and Jabs is a place I absolutely love.”

Chloe Johnson
Business Management

Start off on the right foot

CABLE students have the opportunity to earn scholarship money by simply engaging in one program. Up to \$500 in scholarships will be awarded at the end of both the fall and spring semesters, and are put towards the next semester's tuition.

\$500
per semester
