

Non-Business Majors: Take Your Degree to the Next Level

Pursue these Specialty Certificates!

★ Business Certificate ★

★ Entrepreneurship Certificate ★

In just 15 or 18 credits, you can learn the business basics or learn about the business startup process:

- **Build Your Resume:** Adding business knowledge to your degree will give you an advantage over your competition
- **Gain the real world skills to market your work and manage your financial and human resources**
- **Improve your communication, critical thinking, creative problem solving, and technology skills**
- **Use the knowledge you gain to start or run your own business or non-profit organization**

The Business Certificate and Entrepreneurship Certificate are available to degree seeking MSU students; they are not available to business majors or to students pursuing the business administration minor. To declare or for more information, contact the Office of Student Services: business@montana.edu or 406-994-4681.

Jabs will waive prerequisites for BMGT courses for the Entrepreneurship Certificate ONLY. Prerequisite waiving is a manual process - you must work with a Jobs advisor prior to attempting to register for a BMGT course. Courses other than BMGT courses have prerequisites in addition to those required for the Entrepreneurship Certificate.

Students are responsible for all pre-requisites (for all certificates listed in this handout). See online catalog for pre-requisites; contact Jobs Office of Student Services with questions: business@montana.edu

***some electives require additional prerequisites - plan your electives early*

In accordance with the Board of Regents' policy, students must earn a C- or better in all courses in a minor or certificate.

BUSINESS CERTIFICATE

The Business Certificate is for non-business majors who want an overview of business concepts in order to enhance their future career success, but do not want to pursue a full 30-credit business minor. The goal of the certificate is to enable non-business students to learn how to apply fundamental concepts in economics, accounting, finance, management, and marketing to solve basic business problems.

Students may not earn both the Business Administration minor and the Business certificate.
