Montana 4-H is the youth development outreach program of Montana State University Extension Service and USDA's Cooperative State Research, Education and Extension Service. Montana 4-H will be 100 years old in 2012.

The 4-H name and emblem is intended to represent the ideals of the program with its focus on **Head, Heart, Hands and Health.** The 4-H name and emblem is very important to us as an organization because it represents who we are and what we stand for. Use of the 4-H name and emblem is strictly controlled and belongs to the 4-H youth development program, under the authority of USDA. Anyone using the 4-H name and emblem must obtain permission to use it. Permission to use the 4-H name and emblem can be revoked at any time for just cause. Such as, a charter can be revoked if reporting or fiscal management requirements are not met or ignored.

Please submit the following <u>application</u>, <u>yearly 4-H club program plan</u> and <u>by-laws</u> to your county Extension office. A charter will be granted to a 4-H group when the requirements have been met. Did You Know? The 4-H name and emblem is a highly valued mark and has been granted a very unique and special status --similar to the Presidential Seal and the Olympic emblem. This federal protection makes it a mark into and of itself with protection that supersedes the limited authorities of both a trademark and a copyright. As a result, responsibility and stewardship for the Clover resides, not with the U.S. Patent Office, but rather with a higher authority--the Secretary of Agriculture, a member of the President's cabinet. The Secretary has responsibility for the 4-H name and emblem, at the direct request of Congress. The "18 USC 707" statement at the base of the Clover is the statement in the U.S. Code that outlines the protection of the 4-H name and emblem.
