Please Note:

The Animal Projects listed above are those that Gallatin County 4-H currently has a volunteer leader for. Projects typically meet at least once a month and activities are led/guided by that leader.

******At this time, Gallatin County 4-H and the Big Sky Country State Fair (Gallatin County Fair) does not offer or allow Open Class or Independent livestock/animal exhibits or shows. Therefore, if a youth member is interested in participating in an animal project or exhibiting an animal at the county fair, they must join one of the above leader-led projects and adhere to the project's requirements to be eligible.

4-H ENROLLMENT POLICY UPDATE: Our county 4-H program enrollment policy has been updated and our enrollment window will **OPEN** October 1st and **will now CLOSE January 15th** (previously March 1st) – which means ALL youth and volunteers **MUST** be enrolled in 4-H and any/all projects they plan to participate in no later than January 15th, **especially** if planning to participate in the **Fair** in that project area. Please note: some Projects have enrollment caps and/or tagging deadlines and may close **prior** to January 15th.

There are over 200 projects offered in Montana 4-H - see complete Project Selection Guide here: <https://www.montana.edu/extension/4h/projects/index.html>.
