

Addendum to
MEMORANDUM OF AGREEMENT
BETWEEN THE
MONTANA DEPARTMENT OF AGRICULTURE
NEBRASKA DEPARTMENT OF AGRICULTURE
NORTH DAKOTA DEPARTMENT OF AGRICULTURE
SOUTH DAKOTA DEPARTMENT OF AGRICULTURE
WYOMING DEPARTMENT OF AGRICULTURE

for the coordination of proper management of Invasive Plant Species.

Date: 1/2/08

The Memorandum of Agreement (MOA) between the Montana Department of Agriculture, Nebraska Department of Agriculture, North Dakota Department of Agriculture, South Dakota Department of Agriculture, and the Wyoming Department of Agriculture, signed by the head of each state department of agriculture and effective as of March 14, 2006, is hereby amended pursuant to MOA section (C.)(1.) by adding the following provisions:

Participants

The Colorado Department of Agriculture joins the other named Departments of Agriculture as a party to the MOA.

The Colorado Department of Agriculture agrees to join the efforts to coordinate and promote the proper management of Invasive Plant Species, by implementation of actions to prevent, eradicate, or control the spread of infestation through an integrated management system, as outlined in the Memorandum of Agreement.

Approval

All parties agree to this MOU Amendment. This Amendment serves only to add the Colorado Department of Agriculture as a party to the MOU. The Amendment does not alter any other provisions within the MOU effective as of March 14, 2006.

We, the undersigned parties, do hereby approve this Amendment to the Memorandum of Agreement and execute it as of the last date signed below.
