

Office of Public Instruction School Nutrition Programs and Montana Team Nutrition Online Professional Development Opportunities

To keep track of your professional development hours for yourself and your staff, there is an excel tool created by OPI SNP in MAPS under *Applications > Download Forms > Professional Standards* titled "Tracking Tool", or the USDA has a digital Professional Standards Tracking Tool available here: <https://pstrainingtracker.fns.usda.gov/> If you track hours using certificates, a blank certificate can be found in MAPS under *Applications > Download Forms > Webinar Wednesdays* or on the Montana Team Nutrition website at the following link: <http://www.montana.edu/teamnutrition/training/index.html>
Please free to email Gretchen Groves at gretchen.groves@montana.edu with questions about this resource.
