Varicella				
Most Recent Flu Shot				
COVID - 19 (please indicate brand name)				Brand name:
Medical Professional's Official Name:	Office Stamp:			
Medical Professional's Official Signature:				
Date Signed:				

SECTION 4: Submit official documentation to Student Health Services - Medical Services
Please see the reverse side of this page for submission instructions, located under the heading: <i>How to Submit your MMRs and Tuberculosis History Form</i>

All MSU students need to meet the following requirements before registering for classes:

1. MMRs (measles, mumps, and rubella) – MSU students are required to submit official documentation showing two MMR vaccinations that meet the following requirements:
 - Both MMR doses given after 12 months of age
 - A minimum of 28 days between dose 1 and dose 2
 - Can be given as a combined MMR vaccine or individual vaccines for measles, mumps, and rubella
 - MMRs given before 1968 are not considered adequate
 - The second dose must be after 1980
 - Students can have titers (bloodwork) performed by their medical professional to prove immunity to measles, mumps, and rubella in place of MMR vaccination records. In this case, please submit your titer results received from your provider's office.
 - **Note:** MSU students born before January 1, 1957 are not required to submit documentation of MMRs
2. Tuberculosis History Form
 - On the Student Health Services website, please locate and complete the Tuberculosis History form (<https://www.montana.edu/health/immunization.html>). The link to the form will be toward the bottom of the webpage

Examples of Accepted Documentation – please submit one form of medical documentation to Student Health Services (SHS)

- Your immunization record from doctor's office
- State certificate of immunization
- High school transcript including immunizations
- Military immunization record
- Yellow immunization card
- Childhood immunization booklet
- Lab results of titers showing immunity to measles, mumps, and rubella
- **Note:** If you do not have official immunization records, you will need to have your medical provider complete the chart on the reverse of this page

How to Submit your MMRs and Tuberculosis History Form – please choose one method for submission

- Option 1 (preferred): email a PDF file that contains both your immunization records and Tuberculosis History form to: immune@montana.edu
- Option 2: mail physical copies of your completed forms to:
Montana State University – Medical Services
P.O. Box 173260
Bozeman, MT 59717-3180
- Option 3: turn in your completed forms in person to the Medical Services front desk located in the Student Wellness Building on campus
- Option 4: have your medical provider fax your immunization records and completed Tuberculosis History form to 406-994-2504
